

## A modern, minimalist shower system with a vertical riser, a handheld showerhead, a wall-mounted showerhead, and a horizontal bar with a sliding door handle. The system is finished in a brushed metal, likely chrome or stainless steel. The vertical riser is the central component, featuring a sliding door handle at the bottom and a handheld showerhead mounted on a vertical bar. A wall-mounted showerhead is also present, connected to the riser via a horizontal arm. The overall design is clean and functional, typical of contemporary bathroom fixtures.
